And I know, it's no life for me And I know, it's no life for me

It's going to take you a long time So you become a fighter Then you sever the life line To the seeds of desire

You become a fighter

And I know, it's no life for me And I know, it's no life for me

It's going to take you a long time So you become a fighter Then you sever the life line To the seeds of desire You become a fighter

You become a fighter
