

# Chains of Misery

Iron Maiden

There's a madman in the corner of  
your eye  
He likes to pry - into your sunlight  
He wants to burst into the street  
with you and I  
A world of shadows and of rain  
He's seen what love is...  
He wants to pay you back with guilt...

He lies to you he won't let you be  
He's got your chains of misery  
He won't be still till he's turned your key  
He holds your chains of misery

There's a prophet in the gutter  
in the street  
He say "you're damned!" -  
and you believe him...  
He's got a vision but it shines out  
through your eyes  
A world of hatred and fear...  
He's felt what love means...  
He wants to pay you back with pain

He lies to you - he won't let you be  
He's got your chains of misery  
He won't be still till he's turned the key  
He holds your chains of misery

It's only love that holds the key to  
our hearts...  
It's only love...

He lies to you he won't let you be  
He's got your chains of misery  
He won't be still till he's turned the key  
He holds your chains of misery

He lies to you he won't let you be  
He's got your chains of misery  
He won't be still till he's turned the key  
He holds your chains of misery
