Children of the Damned

Iron Maiden

He's walking like a small child But watch his eyes burn you away Black holes in his golden stare God knows he wants to go home Children of The Damned (opakovat 3x)

He's walking like a dead man

If he had lived he would have crucified us all

Now he's standing on the last step

He thought oblivion well it beckons us all

Children of The Damned

(opakovat 3x)

Now it burns his hand he's turning to laugh Smiles as the flame sears his flesh Melting his face screaming in pain Peeling the skin from his eyes Watch him die according to plan He's dust on the ground what did we learn

You're Children of The Damned Your back's against the wall You turn into the light You're Children of The Damned Like candles watch them burn Burning in the light You'll burn again tonight You're Children of The Damned
