1. From the red sky of the east
A
To the sunset in the west
F
We have cheated death

And he has cheated us
F
But that was just a dream
A
And this is what it means
F **A**
We are sleeping and we'll dream for evermore

C D Am
2. And the fragment remains of our memories
C D G
And the shadows remain with our hands
C D
Deep grey, came to mourn
F G
All the colours of the dawn
C D A
Will this Journeyman's day be his last?

Dm
3. I know what I want
F
And I say what I want
C B C
And no one can take it away
(3x)

Dm
4. I know what I want
F
And I say what I want
C B Dm
And no one can take it away

F
5. But the memory still remains
A
All the past years not so strange
F A
Our winter times are like a silent shroud
F
And the heartbeat of the day
A

Drives the mist away

F **A**
And winter's not the only dream around

C **D** **Am**
6. In your life you may choose desolation

C **D** **G**
And the shadows you build with your hands

C **D** **F** **G**
If you turn to the light, that is burning in the night

C **D** **A**
Then the Journeyman's day has begun
