Crying in the dark
I've been trying, trying so hard
I've been crying, crying in the dark
Don't forsake me, the time of mine is near
Don't ever break me and the world that brought me here

Sick and lonely, waiting for you Sick and lonely, wondering what to do Can you hear me, when I say to you You give me your hand, I'll give mine to you

King of twilight
When the king of twilight shows me
I will take ten steps to see
Forty leaves I pay for freedom

For a chance to be free For a chance to be free

When the king of twilight calls you Take a step and you will see We all need a quick solution

For a chance to be free For a chance to be free Free

When the king of twilight shows me I will take ten steps to see Forty leaves I pay for freedom

For a chance to be free For a chance to be Free
