

# Sign Of The Cross

Iron Maiden

**Emi**

Eleven saintly shrouded men  
Silhouettes stand against the sky  
One in front with a cross held high  
Come to wash my sins away

**Emi**

Standing alone in the wind and rain

**D**

Feeling the fear that is growing

**Emi**

Sensing the change in the tide again

**D**

Brought by the storm that is brewing

**H**

**C**

Feel the anxiety hold off the fear

**D**

**Emi**

Some of the doubt in the things you believe

**H**

**C**

Now that your faith will be put to the test

**D**

**Emi**

**D**

Nothing to do but await what is coming

Why the is God still protecting me  
Even when I don't deserve it  
Though I am blessed with an inner strength  
Some they would call it a penance  
Why am I meant to face this alone  
Asking the question time and again  
Praying to God won't keep me alive  
Inside my head feel the fear start to rise...

**Emi**

They'll be saying their prayers when the moment comes  
There'll be penance to pay when it's judgment day

**C**

And the guilty'll bleed when that moment comes

**Emi**

They'll be coming to claim, take your soul away

**Emi**

**C**

**G**

The sign of the cross

They'll be coming to bring the eternal flame  
They'll be bringing us all immortality  
Holding communion so the world be blessed  
My creator, my God'll lay my soul to rest

The sign of the cross

The name of the rose... a fire in the sky

The sign of the cross

Lost the love of heaven above

Chose the lust of the earth below  
Eleven saintly shrouded men  
Came to wash my sins away
