

The Final Frontier

Iron Maiden

I'm stranded in space, I'm lost without trace
I haven't a chance of getting away
Too close to the sun, I surely will burn
Like Icarus before me or so legend goes
I think of my life, reliving the past
There's nothing but wait 'til my time comes
I've had a good life, I'd do it again
Maybe I'll come back some time, my friends

For I have lived my life to the full
I have no regrets
But I wish I could talk to my family
To tell them one last goodbye

The final frontier
The final frontier
The final frontier
The final frontier

If I could survive to live one more time
I wouldn't be changing a thing at all
Done more in my life than some do in ten
I'd go back and do it all over again

For I have lived my life to the full
I have no regrets
But I wish I could talk to my family
And tell them that one last goodbye

The final frontier
The final frontier
The final frontier
The final frontier

There isn't much time, must say my last rites
Nobody is here to read them to me
Must say my goodbyes, if only a line
A message to tell them in case they might find

For I have lived my life to the full
I have no regrets
But I wish I could talk to my family
To tell them that one last goodbye

The final frontier, the final frontier
The final frontier, the final frontier
