Maybe one day I'll be an honest man
Emi C Emi C
Up till now I'm doing the best I can
A Emi C
Long roads, Long days, of sunrise, to sunset
Emi C
Sunrise to sunset

R: Dream on brother, While you can
Dream on Sister, I hope you find the one
All of our lives, covered up quickly
by the tides of time

Emi C D G F
Spend your days full of emptyness,
G Fis
Spend your years full of loneliness,
G C
Wasting love, in a desperate caress,
C D
Rolling shadows of nights,

R: Dream on Brother, While you can...

Sands are flowing and the lines
are in your hand
In your eyes I see the hunger, and the
desperate cry that tears the night.
