The rebel of yesterday, tomorrow's fool Who are you kidding being that cool?

Trying to break away from running with the pack
But they ain't listening so you've gotta go back

You're a weekend warrior when you're one of the crowd
But it's over, just look at you now...

You're not so brave the way you behave It makes you sick, gotta get out quick It's all bravado when you're out with your mates
It's like a different person goes through those gates
And the game begins the adrenalin's high
Feel the tension maybe someone will die...

A weekend warrior lately A weekend warrior sometimes A weekend warrior maybe you ain't that way anymore

You've gotta get out gotta get away But you're in with a clique it's not easy to stray You've gotta admit you're just living a lie It didn't take long to work out why

It's hard to say why you got involved Just wanting to be part just wanting to belong...

A weekend warrior lately A weekend warrior sometimes A weekend warrior maybe you ain't that way anymore

Some of the things that you've done you feel so ashamed
After all it's only a game... isn't it?
And after all the adrenalin's gone
What you gonna do on Monday?

A weekend warrior lately A weekend warrior sometimes A weekend warrior maybe you were never like that at all
