

# Wildest Dreams

Iron Maiden

I'm Gonna Organize Some Changes In My Life  
I'm Gonna Exorcise The Demons Of My Past  
I'm Gonna Take The Car And Hit The Open Road  
I'm Feeling Ready To Just Open Up And Go!

And I Just Feel I Can Be Anything...  
But All I Never Wished To Be  
I Find Myself Just Where I Wanna Be  
Make My Wildest Dreams Come True!

R: I'm On My Way!  
Out On My Own Again  
I'm On My Way!  
Out On The Road Again

When I Remember Back To How The Things Used To Be  
And I Was Stuck Inside a Strove Of Misery  
I Found I'd Dissapeard So Deep Inside Myself  
I Couldn't Find a Way To Break Away the Hell

When I'm Feeling Down And Low  
I Thought I'll Never Be The Same Again  
I Just Remember What I Am  
And Visualized Just What I'm Gonna Be

R: I'm On My Way!  
Out On My Own Again  
I'm On My Way!  
I'm Gonna Break Away

I'm Gonna Break Away!  
I'm Out On My Own  
I'm Out On My Own!  
Gonna Break Away  
Breaking Away!

R: I'm On My Way!  
Out On My Own Again  
I'm On My Way!  
Out On The Road Again  
I'm On My Way!  
Out On My Own Again  
I'm On My Way!  
I'm Gonna Break Away
