

Use Me

Isaac Hayes

My friends feel it's their appointed duty
They keep trying to tell me
All you want to do is use me
Ha, ha, but my answer, ha, ha
Yeah, to all that use me stuff
Is I wanna spread the news
That if it feels this good getting used
Oh, you just keep on using me
Until you use me up
Until you use me up
My brother, sit me right down
And he talked to me, ah-ha
He told me, ah-ha
That I ought not to let you just walk on me
And I'm sure he meant well
Yeah, but when our talk was through
I-I-I said brother, if you only knew
You'd wish that you were in my shoes
You just keep on using me
Until you use me up
Until you use me up
Oh sometimes, it's true you really do abuse me
You get in a crowd of high class people
And then you act real rude to me
But oh baby, baby, baby, baby
When you love me I can't get enough
I-I and I, wanna spread the news
That if it feels this good getting used
Oh, you just keep on using me
Until you use me up
Until you use me up
Talking about you using me
But it all depends on what you do
It ain't too bad the way you're using me
'Cause I sure am using you
To do the things you do
Ah-ha, to do the things you do
