

# Wish You Were Here (You Ought To Be Here)

Isaac Hayes

What can I say, what can I do?  
Another day that I spend missing you  
Like a portrait with no face  
A dancer with no grace  
Every night I pray  
That love shows you the way  
I wish you were here  
You ought to be here

I'm sorry that I hurt  
I've paid a thousand times  
Your absence is enough to  
Make me lose my mind  
Baby, can't you tell?  
I've learned my lesson well  
I'm fighting back the tears  
The pain is so severe

I wish you were here, baby  
You ought to be here

Remember how we laughed  
And how we played every day  
You promised your love would last  
And that it would always be that way  
Let's try and recapture  
The good times we once had  
The fun and the laughter  
I need your love so bad  
With love in my heart  
I promised to do my part  
I'm fighting back the tears  
The pain is so severe, baby

I wish you were here, yeah  
You ought to be here  
I wish you were here (Come back)  
You ought to be here (Come back)  
I wish you were here (Come back)  
You ought to be here (Come back)  
(Wish you were here) Sorry I hurt you (Come back)  
(Ought to be here) Didn't mean to do you harm (Come back)  
(Wish you were here) Come back baby, come back  
(Come back)  
(Ought to be here) We've been apart much too long  
(Come back)  
I wish you were here (Come back)  
You ought to be here (Come back)  
I wish you were here (Come back)  
You ought to be here (Come back)  
Yeah baby, I wish you were here (Come back)  
Come back baby, you ought to be here (Come back)  
I wish you were here (Come back)

You ought to be here (Come back)  
I wish you were here (Come back)  
You ought to be here (Come back)
