

A.N.G.E.L

Isac Elliot

Life is ups and downs
Sometimes you give it your best
But it don't work out
Life ain't always fair
Sometimes you think you found the one
'Til they disappear

Ooh, ooh
I know you've been hurt before
Ooh, ooh
You ain't gonna worry no more

Baby just hit me up
I'll be your pick me up
When you need an A.N.G.E.L

When you got a losing hand
And nobody understands
I'ma be your A.N.G.E.L

Love ain't always free
It'll hurt you bad
It'll cut you deep
Still love is all you need
You gotta pay the price
When you play for keeps

Ooh, ooh
Girl, I know you're worth the risk, yeah
Ooh, ooh
And I'm going all in

Baby just hit me up
I'll be your pick me up
When you need an A.N.G.E.L

When you got a losing hand
And nobody understands
I'ma be your A.N.G.E.L

I'll be your light at the end of your tunnel
I'll be your legs when you start to stumble
I'll take you to heaven, if you're going through hell
I'ma be your A.N.G.E.L

I'll be the one to shine a light on you
When your whole world turns to black
I'll be there waiting
When it's all fading
When nobody's got your back
I still got your back

Baby just hit me up
I'll be your pick me up
When you need an A.N.G.E.L

When you got a losing hand

And nobody understands
I'ma be your A.N.G.E.L

I'll be your light at the end of your tunnel
I'll be your legs when you start to stumble
I'll take you to heaven, if you're going through hell
I'ma be your A.N.G.E.L

Baby just hit me up
I'll be your pick me up
When you need an A.N.G.E.L

When you got a losing hand
And nobody understands
I'ma be your A.N.G.E.L

I'll be your light at the end of your tunnel
I'll be your legs when you start to stumble
I'll take you to heaven, if you're going through hell
I'ma be your A.N.G.E.L
