

## Caught By Fire

Isengard

There is no reason for my mind  
To try to find the flames that died  
Walk like a loner in the night  
Trying to find you

How can i dream this vision  
When I must seek my mission  
What can you hide from in my mind

Why can't I hold your fire  
When it is burning higher  
Why do I fear the heat inside

Every night I'm trapped by eternal fire  
Can't you see what you do to me

Caught by fire  
When I see your angel eyes  
Caught by fire  
You make me hypnotized  
Caught by fire  
When you touch me with desire  
Caught by fire  
You make me realize

Why can't you try to ride the wind  
Or live your life in darkest sin  
Hide like a devil in disguise  
Never to find you

If I can feel your breathing  
Couldn't you stop this feeling  
Lost in my mind, you wont be found

Why can't you see I'm hurting  
Can't you forget your searching  
Fading away, you can not stay
