Waiting to get to your room
Hallways
Always waiting, feels like I've been waiting for days
In these hallways

Wait wait wait, Wait wait wait. Wait wait wait

Walls cave Turns refuse to waste Hallways

Knock knock knock, broken lock
I'll just wait in hallway
In some small way, ooh
This can be a pleasurable face

Walls cave Turns refuse to waste Hallways

Walls cave Turns refuse to waste Hallways

In the hallways
Girl she turns to you to say,
"always"
