

Come In From The Outside

Israel Houghton

Come in from the outside Don't be ashamed Come in from the outside
And bless His name It's all on the inside Where His glory reigns
Enter in

Come in from the outside Just as you are Come in from the outside
You're not too far It's all on the inside Simply open your heart
Enter in

Everybody everybody Everybody everybody Everybody everybody Let
everything that hath breath Praise the Lord Everybody everybody
Praise

We're the generation That will give You praise and adoration Let
Your kingdom come Let Your will be done Establish now Your throne,
oh my Lord

O my Lord Lord, Lord, Lord

Praise You Lord Lord, Lord, Lord

We love You Lord Lord, Lord, Lord

O my Lord
