

No Problem (Keep It Alive)

Issues

I ain't got no problem
Dealing with your shit
But baby, just be honest
With what you want from this
The lights have felt so blinding
My feelings for you show
So keep your love in line, yeah, in line

I can't shake it, nah, babe
You don't know the words you say, they hold weight
I won't fake it at this stage
Probably wouldn't stop the drifting away
It's just hard to live when love ain't on our side
I keep waiting, but the timing just ain't right

(If you keep it, if you keep it)
If you could find forever in me
(If you keep it, if you keep it)
Then I promise that I'll keep feeding the flame
I could hold you tight, keep you satisfied
(If you keep it, if you keep it, if you keep-keep-keep it)
Keep it alive

I don't want your body
If I don't get your soul
If you're really with me
Baby, let me know
Your summer felt like winter in May
And I need you like a flower needs sunlight every day

I can't shake it, nah, babe
You don't know the words you say, they hold weight
I won't fake it at this stage
Probably wouldn't stop the drifting away
It's just hard to live when love ain't on our side
I keep waiting, but the timing just ain't right

(If you keep it, if you keep it)
If you could find forever in me
(If you keep it, if you keep it)
Then I promise that I'll keep feeding the flame
I could hold you tight, keep you satisfied
(If you keep it, if you keep it, if you keep-keep-keep it)
Keep it alive

You'll not hurt my pride
If right now you decide
That you are not ready to settle down
But if you want my heart
Then it's time that you start
To act like you're mine in the light and the dark

If you love me, say it
If you trust me, do it
If you want me, show it
If you need me, prove it
If you love me, say it

If you trust me, do it
If you want me, show it
If you need me, prove it

(If you keep it, if you keep it)
If you could find forever in me
(If you keep it, if you keep it)
Then I promise that I'll keep feeding the flame
I could hold you tight, keep you satisfied
(If you keep it, if you keep it, if you keep-keep-keep it)

I ain't got no problem
Dealing with your shit
(If you keep it, if you keep it)
But baby, just be honest
With what you want from this
(If you keep it, if you keep it, if you keep-keep-keep it)
Keep it alive
