

# Hot Damn

Ivy Levan

I've got that real good good and you know it don't come cheap.  
A pretty penny, a pretty penny, a pretty penny, you like what you see.  
You wanted real bad bad but you still, you still want more (you still want more)  
Looking at me, looking at me and baby knocking down my door.

Ooh ooh

Hot damn  
These fools try to stick me for my paper  
Damn these fools won't leave me alone  
Hot damn  
These fools try to stick me for my paper  
Damn these fools won't leave me alone  
From New York to LA  
And every single day I said hot damn  
These fools try to stick me for my paper  
Damn these fools won't leave me, leave me alone.

Hey  
You follow me like dogs, and I can can get no sleep  
A pretty penny, a pretty penny, a pretty penny, you just want a piece  
Cause I got that real good good and you just keep wanting more  
Looking at me, looking at me, what the hell are you looking for?

Ooh ooh

Hot damn  
These fools try to stick me for my paper  
Damn these fools won't leave me alone  
Hot damn  
These fools try to stick me for my paper  
Damn these fools won't leave me alone  
From New York to LA  
And every single day I said hot damn  
These fools try to stick me for my paper  
Damn these fools won't leave me, leave me alone.

Who turned the temperature up?  
It's hot enough to cook an egg in a frying pan  
Don't you turn that temperature up  
Oh it's hot enough to make me crazy like the son of Sam  
Hot damn  
Who turned the temperature up?  
It's hot enough to cook an egg in a frying pan  
Don't you turn that temperature up  
Oh it's hot enough to make me crazy like the son of Sam

Hot damn

Hot damn  
These fools try to stick me for my paper

From New York to LA  
And every single day I said hot damn  
These fools try to stick me for my paper

Damn these fools won't leave me, leave me alone.
