

## Cherry Street

J. J. Cale

Down on Cherry Street  
All the girls are lookin'fine  
Down on Cherry Street  
Al the girls are lookin'fine.  
When they put their hands in your pocket,  
They ain't feelin'for no dime.

Down on Cherry Avenue  
It'a paradise  
Down on Cherry Avenue  
Things are lookin'nice  
If you need some kinda lovin'boy  
Don't think twice

Down on Cherry Avenue  
Pickin'up and puttin'in  
Down on Cherry Avenue  
Pickin'up and puttin'in  
That's where the ladies are  
That's where the boys turn into men.

Down on Cherry Street  
All the girls are lookin'fine  
Down on Cherry Street  
All the girls are lookin'fine  
When they put their hands in your pocket,  
They ain't feelin'for no dime
