

Lawdy Mama

J. J. Cale

Hey hey lawdy mama
Lord you've been so good to me
Hey hey lawdy mama
Lord you've been so good to me
Can I trouble you one minute
Let me tell you what I need

Spread your love around me 'till I lose my mind
Spread your love around me 'till I lose my mind
One taste of your sweet sweet love
Sweeter than wine

I'm just a fool fool fool
I'm just a fool fool for you
Fool fool fool
I'm just a fool fool for you
Can I trouble you one minute
Let me tell you what I want you to do

Spread your love around me 'till I lose my mind
Spread your love around me 'till I lose my mind
One taste of your sweet sweet love
Sweeter than wine

Hey hey hey hey lawdy mama
Lord you've been so good to me
Hey hey lawdy mama
Lord you've been so good to me
