

Lean on Me

J. J. Cale

Lean on me, baby
Lean on me, for a while
Lean on me, baby
Lean on me, baby child

Won't bring you down, baby
Won't bring you down, no sirree
Won't bring you down, baby
Won't bring you down, just lean on me

Come on, baby
Come on, for a while
Come on, baby
Lean on me, baby child
