

## Since You Said Goodbye

J. J. Cale

Rain keeps fallin' on my head  
Sun keeps burnin' out my eyes  
Lord the moon he knows I'm blue  
And it's all because of you  
Ever since you said goodbye  
Black cloud hangin' over me  
I can't seem to do it right  
Lord the wind it never blows  
The river never flows  
Ever since you said goodbye  
Sunny days have come and gone  
Heaven knows I'm here cryin'  
Lord the moon he knows I'm blue  
And it's all because of you  
Ever since you said goodbye
