

# I Will Rest In You

Jaci Velasquez

Lord, I'm in the dark  
Seems to me the line is dead when I come calling  
No one there, the sky is falling

Lord, I need to know  
My mind is playing games again  
You're right where You have always been

Take me back to You  
The place that I once knew as a little child  
Constantly the eyes of God watched over me

Oh, I want to be  
In the place that I once knew as a little child  
Fall into the bed of faith prepared for me

I will rest in You  
I will rest in You  
I will rest in You

Tell me, I'm a fool  
Tell me, that You love me for the fool I am  
And comfort me like only You can

And tell me there's a place  
Where I can feel Your breath  
Like sweet caresses on my face again

Take me back to You  
The place that I once knew as a little child  
Constantly the eyes of God watched over me

Oh, I want to be  
In the place that I once knew as a little child  
Fall into the bed of faith prepared for me

I will rest in You  
I will rest in You  
I will rest in You

I will rest in You  
I will rest in You  
I will rest in You

La, la, la, la, You  
La, la, la, la, la  
La, la, la, la, la  
You, la, la, la, la, la, You  
La, la, la, la, la, You

Take me back to You  
The place that I once knew as a little child  
Constantly the eyes of God watched over me

Oh, I want to be  
In the place that I once knew as a little child  
Fall into the bed of faith prepared for me

I will rest in You  
I will rest in You  
I will rest in You

I will rest in You  
I will rest in You  
I will rest in You

I will rest in You  
I will rest in You  
I will rest in You

I will rest in You  
I will rest in You  
I will rest in You

I will rest in You  
I will rest in You
