I WIII Rest In You Lord, I'm in the dark Seems to me the line is dead when I come calling No one there, the sky is falling Lord, I need to know My mind is playing games again You're right where You have always been Take me back to You The place that I once knew as a little child Constantly the eyes of God watched over me Oh, I want to be In the place that I once knew as a little child Fall into the bed of faith prepared for me I will rest in You I will rest in You I will rest in You Tell me, I'm a fool Tell me, that You love me for the fool I am And comfort me like only You can And tell me there's a place Where I can feel Your breath Like sweet caresses on my face again Take me back to You

Take me back to You

The place that I once knew as a little child

Constantly the eyes of God watched over me

Oh, I want to be
In the place that I once knew as a little child
Fall into the bed of faith prepared for me

I will rest in You
La, la, la, la, You
La, la, la, la, la
La, la, la, la, la
You, la, la, la, la, You
La, la, la, la, You
La, la, la, la, You

I will rest in You

Take me back to You

The place that I once knew as a little child

Constantly the eyes of God watched over me

Oh, I want to be
In the place that I once knew as a little child
Fall into the bed of faith prepared for me

- I will rest in You
- I will rest in You
