

# Show You Love

Jaci Velasquez

Please forgive me  
If I come on too strong  
I get a little anxious  
When I talk about God's love  
Hold me back now  
Stop me if I start to preach  
'Cause I don't want to be the one  
To push you out of reach  
The way to give love  
Is how you live love  
That is what I'll do  
You cannot fight it  
You can't deny it  
Love will get to you

Don't wanna get up in your face  
Don't wanna put the pressure on  
Don't wanna make you run away  
Just wanna show you love  
Don't wanna beg you to believe  
Don't wanna take you for a ride  
Don't wanna sell you anything  
Just wanna show you love  
Show you love  
Just wanna show you love

I won't convince you  
With anything I say  
But maybe you will see His love  
In how it is portrayed  
An act of kindness  
A loving sacrifice  
Simple little things that have  
The power to change your life  
There's no surprises  
And no disguises  
Just the blessed truth  
No obligation  
No complication  
Just a gift for you.

Don't wanna get up in your face  
Don't wanna put the pressure on  
Don't wanna make you run away  
Just wanna show you love  
Don't wanna beg you to believe  
Don't wanna take you for a ride  
Don't wanna sell you anything  
Just wanna show you love  
Show you love  
Just wanna show you love
