

# Feel Like I'm Falling In Love

Jack Ingram

Head over heels  
Falling faster  
Spinning wheels  
Going round and round

No big deal  
Just one more disaster  
I'll take my chances  
If I'm falling down

'Cause I feel like I'm falling in love  
I feel like I'm falling in love

I'm not afraid  
Of my heart breaking  
I have paid  
That price before

All of my mistakes  
Add up to nothing  
We've got something  
I want more

'Cause I feel like I'm falling in love  
I feel like I'm falling in love  
This time it's different  
This time it's real  
I feel like I'm falling in love
