

# Goodnight Moon

Jack Ingram

Goodnight moon  
goodnight stars  
goodnight old  
broke down cars

I'm going away  
I'm leaving soon  
goodnight darlin'  
goodnight moon

I don't know where I'll be  
And I don't know if I'll see  
Out the window of my room  
Shining down  
Goodnight moon

Thank you I'm gonna miss you  
When the night comes round  
That's when I long to kiss you  
When the moon shining on the ground

Goodnight moon, goodnight stars  
Goodnight old broke down cars  
I'm going away, I'm leaving soon  
Goodnight darlin'  
Goodnight moon
