

# I Would

Jack Ingram

If I close my eyes a while  
Maybe I'd see through  
Yeah, I'd see through the miles  
That won't keep me from you

And an arms length away  
Is to far of a place  
Yeah, maybe what you need  
Be my saving grace

And I would if I could  
And I want you to know  
If you ask I would give  
You better believe I would

Yeah, well they say nothing lasts  
And I don't believe that's true  
And I would do my best  
Just make this good for you

And I would if I could  
And I want you to know  
If you ask I would give  
You better believe I would

I bet you'd be amazed  
If I shut my mouth  
And just listened to you say  
That you're letting me stick around

And I would if I could  
And I want you to know  
If you ask I would give  
You better believe I would

Yeah, I would if I could  
And I want you to know  
If you ask I would give  
You better believe I would

Yeah, you better believe I would  
Yeah, you better believe I would
