**Dm F B F**  
intro: x2

**Dm F**  
I know she said it's alright  
**B F**  
But you can make it up next time  
**Dm F**  
I know she knows it's not right  
**B F**  
There ain't no use in lying  
**Dm F**  
Maybe she thinks I know something  
**B F**  
Maybe maybe she thinks its fine  
**Dm F**  
Maybe she knows something I don't  
**B C**  
I'm so, I'm so tired, I'm so tired of trying

ref:

**F C**  
It seems to me that maybe  
**Dm A**  
It pretty much always means no  
**B C F C**  
So don't tell me you might just let it go  
**F C**  
And often times we're lazy  
**Dm A**  
It seems to stand in my way  
**B C**  
Cause no one no not no one  
**F C**  
Likes to be let down

**Dm F**  
I know she loves the sunrise  
**B F**  
No longer sees it with her sleeping eyes  
**Dm F**  
And I know that when she said she's gonna try  
**B F**  
Well it might not work because of other ties and  
**Dm F**  
I know she usually has some other ties  
**B F**  
And I wouldn't want to break 'em, nah, I wouldn't want to break 'em  
**Dm F**  
Maybe she'll help me to untie this but  
**B C**  
Until then well, I'm gonna have to lie to you

It seems to me that maybe  
It pretty much always means no  
So don't tell me you might just let it go  
And often times we're lazy

It seems to stand in my way  
Cause no one no not no one  
Likes to be let down  
It seems to me that maybe  
It pretty much always means no  
So don't tell me you might just let it go

**F** **B**  
The harder that you try baby, the further you'll fall

**F** **C**  
Even with all your money in the whole wide world

**F**  
Please please please don't pass me

**B**  
Please please please don't pass me

**F** **C** **F**  
Please please please don't pass me by

Everything you know about me now baby you gonna have to change  
You goin to call it by a brand new name  
Please please please don't drag me  
Please please please don't drag me  
Please please please don't drag me down

Just like your tree down by the water baby I shall not move  
Even after all your silly things you do-oo  
Please please please don't drag me  
Please please please don't drag me  
Please please please don't drag me down
