I want to be where the talk of the town
D7   G
Is about last night when the sun went down
C C/B   Am
yea.. And the trees all dance
D7   G   C C/B
And the warm wind blows in that same old sound
Am   D7
And the water below gives a gift to the sky
G   C   C/B
And the clouds give back everytime they cry
Am   D7
And make the grass grow green beneath my toes
G
And if the sun comes out
C C/B
I'll paint a picture all about
Am
The colors i've been dreaming of
D7
The hours just don't seem enough
Am
To put it all together
D7   G
Maybe it's as strange as it seems
C   G   C
Mmm..

Am   D7
and the trouble I find is that the trouble finds me
G   C
It's a part of my mind it begins with a dream
Am   D7
And a feeling I get when I look and I see
G   C
That this world is a puzzle, ill find all of the pieces
Am   D7
And put it all together, and then ill rearrange it
Am

I'll follow it forever
D7   G   C
Always be as strange as it seems...mmm
Cm
Nobody ever told me not to try
