

Wasting Time

Jack Johnson

Yea
And I'm just a waste of her energy
And she's just wasting my time
Mmhmmm
So why don't we get together
And we could waste everything tonight
And we could waste and we could waste it all tonight
Yea
And we could waste and we could waste it all tonight

And I don't pretend to know what you know
No no
Now please don't pretend to know what's on my mind
If we already knew everything that everybody knows
We would have nothing to learn tonight
And we would have nothing to show tonight
Oh but everybody thinks
That everybody knows
About everybody else
Nobody knows
Anything about themselves
Cause their all worried about everybody else
Yea
Oh

Loves just a waste of our energy yea
And this life's just a waste of our time
So why don't we get together
We could waste everything tonight
And we could waste and we could waste it all yea
But everybody thinks
That everybody knows
About everybody else
Now now now nobody knows
Anything about themselves
Cause their all worried about everybody else yea
Oh
And we could waste
