

Chocolate Chicken

Jack Off Jill

Chicken and chocolate dancing
Milkman got the blues
They suck him off on dairy cock
And who the hell are you

The chicken knows, yeah
Just how it goes, yeah
It's what he bought and sold
The chicken blows, yeah
Let's stab ourselves, yeah

Chicken and chocolate praying
Storm trooper got the blues
They suck him off on plastic cock
And who the hell are you

The chicken knows, yeah
Just how it goes, yeah
It's what he bought and sold
The chicken blows, yeah
Just what he knows, yeah

He said the devil's narcotic
Wishing he was, but he wasn't
And it is... stupid, stupid, stupid...

The chicken knows, yeah
Just what he sold, yeah
It's what you bought and sold
The chicken knows, yeah
Just how it goes, yeah
