

Oh Holy Night

Jackie Evancho

Oh, holy night, the stars are brightly shining,
It is the night of our dear Savior's birth.
Long lay the world in sin and error, pining
Till He appeared and the soul felt it's worth;
A thrill of hope, the weary world rejoices
For yonder breaks a new and glorious morn'.
Fall on your knees, oh, hear the Angels' voices;
Oh, night divine, oh, the night when Christ was born;
Oh, night divine, oh, night, oh night divine.
Truly He taught us to love one another;
His law is love and His Gospel is peace;.
Chains He shall break for the slave is our brother
And in His name all oppression shall cease.
Sweet hymns of joy in grateful chorus raise we;
Let us all praise within His holy name!
Christ is the Lord, then ever, ever praise we;
His pow'r and glory forever more proclaim,
His pow'r and glory ever more proclaim.

Oh, night divine, oh, the night when Christ was born;
Oh, night divine, oh, night, oh night divine
