

# Girl You're So Together

Michael Jackson

Girl You're So Together  
Together we can make it, all the way  
If I had a chance to choose  
Between a million bucks and you  
I'd choose you babe, yeah

It's no dreams  
But with proof as sweet as you, noo  
Apples peaches and cherries  
Just won't do, ooh baby

Even the flowers and lollipops  
Could never hope to top  
The sweetness of your kiss  
Can you dig it?

Girl You're So Together  
And together we can make it, all the way, yeah, yeah  
If I had a chance to choose  
Between a million bucks and you  
I'd choose you babe  
(Choose you babe)  
Girl your smile, ooh

Is like the month of may, yeah  
When you're near me  
The storm clouds stay away, yeah  
Even the little honey bees  
Turn to you when they need more honey  
Love you so much it's not funny

Girl You're So Together  
And together we can make it all the way, yeah  
Oh, girl, you're so together  
Oh, hey girl, girl, eye, eye, popper  
A real life traffic stopper  
A knock-out queen

Oh, what I mean is  
Girl You're So Together  
And together we can make it all the way  
Oh, I love her, I love her, I love, I love you babe  
(Girl You're So Together)  
Yeah  
(And together we can make it all the way)  
Ooh, girl, you're so together
