

# Got to Be There

Michael Jackson

Got to be there, got to be there  
In the morning  
When she says hello to the world  
Got to be there, got to be there  
Bring her good times  
And show her that she's my girl  
Oh what a feeling there'll be  
The moment I know she loves me  
'Cause when I look in her eyes I realize  
I need her sharing her world beside me

So I've got to be there  
Got to be there in the morning  
And welcome her into my world  
And show her that she is my girl  
When she says, "Hello world!"  
I need her sharing the world beside me

That's why I've got to be there  
Got to be there where love begins  
And that's everywhere she goes  
I've got to be there so she knows  
That when she's with me, she's home

Got to be there  
Got to be there
