Michael Jackson

Speculate to break the one you hate  
Circulate the lie you confiscate  
Assassinate and mutilate  
As the hounding media in hysteria  
Who's the next for you to resurrect  
JFK exposed the CIA  
Truth be told the grassy knoll  
As the blackmail story in all your glory

It's slander  
You say it's not a sword  
But with your pen you torture me  
You'd crucify the Lord  
And you don't have to read it, read it  
And you don't have to eat it, eat it  
To buy it is to feed it, feed it  
So why do we keep foolin' ourselves

Just because you read it in a magazine  
Or see it on the TV screen  
Don't make it factual  
Though everybody wants to read all about it  
Just because you read it in a magazine  
Or see it on the TV screen  
Don't make it factual, actual  
They say he's homosexual

In the hood  
Frame him if you could  
Shoot to kill  
To blame him if you will  
If he dies sympathize  
Such false witnesses  
Damn self righteousness  
In the black  
Stab me in the back  
In the face  
To lie and shame the race  
Heroine and Marilyn  
As the headline stories of  
All your glory

It's slander  
With the words you use  
You're a parasite in black and white  
Do anything for news  
And you don't go and buy it, buy it  
And they won't glorify it, 'fy it  
To read it sanctifies it, 'fies it  
Then why do we keep foolin' ourselves  
Just because you read it in a magazine  
Or see it on the TV screen  
Don't make it factual  
Everybody wants to read all about it  
Just because you read it in a magazine  
Or see it on the TV screen  
Don't make it factual

See, but everybody wants to believe all about it

Just because you read it in a magazine  
Or see it on the TV screen  
Don't make it factual  
See, but everybody wants to believe all about it  
Just because you read it in a magazine  
Or see it on the TV screen  
Don't make it factual, actual  
She's blonde and she's bisexual

Scandal  
With the words you use  
You're a parasite in black and white  
Do anything for news  
And you don't go and buy it, buy it  
And they won't glorify it, 'fy it  
To read it sanctifies it, 'fies it  
Why do we keep foolin' ourselves  
Slander  
You say it's not a sin  
But with your pen you torture men  
Then why do we keep foolin' ourselves

Just because you read it in a magazine  
Or see it on the TV screen  
Don't make it factual  
Though everybody wants to read all about it  
Just because you read it in a magazine  
Or see it on the TV screen  
Don't make it factual  
See, but everybody wants to read all about it

Just because you read it in a magazine  
Or see it on the TV screen  
Don't make it factual  
Just because you read it in a magazine  
Or see it on the TV screen  
Don't make it factual  
Just because you read it in a magazine  
Or see it on the TV screen  
Don't make it factual, actual  
You're so damn disrespectable
