

Limpdick

Jackyl

Why did Ruby take her love to town
She must have been [?] such a battle such a long out riches
Either way she rode it to the top of space mountain

You can't walk a mile in my shoes you limpdick little prick
That's why she left you home to play with your own cute little
dick
She didn't think you measured up you better bring a extra long
yardstick
You can't walk a mile in my shoes you limpdick little prick

Why did Ruby take her love to town
She needed a scratch a four inch does a mankind that's a bitch
No matter why she's ready to take a walk on the wild side

You can't walk a mile in my shoes you limpdick little prick
That's why she left you home to play with your own cute little
dick
She didn't think you measured up you better bring a extra long
yardstick
You can't walk a mile in my shoes you limpdick little prick

Why did Ruby take her love to town
She's on the way ready to play
She's playing it up ready to make that drop
She's on the way ready to play ready to go big ready to feel al
ive another day
You can play ask for the day you have to shake the hand of the
man you little bitch

You can't walk a mile in my shoes you limpdick little prick
That's why she left you home to play with your own cute little
dick
She didn't think you measured up you better bring a extra long
yardstick
You can't walk a mile in my shoes you limpdick little prick
You can't walk a mile in my shoes you limpdick little prick
That's why she left you home to play with your own cute little
dick
She didn't think you measured up you better bring a extra long
yardstick
You can't walk a mile in my shoes you limpdick little prick

Why did Ruby why did she take her love to town
Well up to space mountain
