

# Love Again

Jacob Latimore

Ever since the day you came (the day you came)  
I've been entertained  
From the way you smile your face  
You brighten up my day  
And now I know my life has changed  
You made me a better man  
Now I wanna get out the game

Cause something's got a hold of me  
Makes me feel like it's controlling me  
Makes it harder to run away  
It gets stronger, stronger every day

Cause I think you're wonderful  
There's no one like you  
Sent down from heaven above  
I never thought I'd love again

Then you came and you changed my life  
I never thought I'd love again  
You're so perfect for me  
You made me love again

You made me love, you made me love  
You made me love again  
You made me love, you made me love again

Girl from all your sexy ways  
You got me in a daze  
Even from the words you say  
You know you're beautiful

From the way you laugh, to the way you kiss  
I can't get enough of you  
And the way we love  
There's nobody else like you

Cause I think you're wonderful  
I think you're wonderful baby  
Sent down from heaven above  
I never thought I'd love again

Then you came and you changed my life  
I never thought I'd love again  
You're so perfect for me  
You made me love again

You made me love, you made me love  
You made me love again  
You made me love, you made me love again

You are my angel  
You are priceless  
I can't see myself with nobody else

From the way you laugh, to the way you kiss  
I can't get enough of you

And the way we love  
There's nobody else like you

Cause I think you're wonderful  
I think you're wonderful baby  
Sent down from heaven above  
I never thought I could love again

Until you came and you changed my life  
I never thought I'd love again  
You're so perfect for me  
You made me love again

You made me love, you made me love  
You made me love again  
You made me love, you made me love again
