

# Eyes Of The Night

Jag Panzer

You feel the lightning crack the sky at night You feel it chill  
you to the bone It burns a fire deep within your soul Look awa  
y, Look away, leave it alone They are the eyes that burn inside  
you Take chance, ride the night The eyes of the night hypnotiz  
e you The eyes of the night The eyes of the night Dream on, you  
shadow believer For the eyes of the shadow will surely do you  
in They are the eyes that burn inside you Take chance, ride the  
night The eyes of the night hypnotize you The eyes of the nigh  
t The eyes of the night The eyes of the night See the black cat  
in his stare See the evil in the air Don't let the black cat c  
ross your path Beware Fly wings of moonlight is the spell tonig  
ht Soar upon it's evil air When the shadow starts to move, yeah  
You'll see a cold and bloody stare They are the eyes that burn  
inside you Take chance, ride the night The eyes of the night h  
ypnotize you The eyes of the night The eyes of the night
