

# Drinkin About You

Jake Miller

Hey, yeah, yeah, yeah  
Drinkin about you  
Hey, yeah, yeah, yeah  
Drinkin about you

How you been, can we talk?  
Yeah I know that it's been awhile  
And I said that I wouldn't call  
But I keep laying here in my bed  
Thinking bout the times  
We were up every night too long

So many words that I wish I'd said  
Is it too late for them now?  
I've tried to move on but I can't forget  
I still see your face in the crowd

I been drinkin about you  
I still can't let you go  
Can we talk like we used to?  
Are you sleeping alone?

We had our reasons for calling it off  
I can't remember them now  
I can't see me without you  
Maybe that's why I keep drinkin about ya

Hey, yeah, yeah, yeah  
Drinkin about you  
Hey, yeah, yeah, yeah  
Drinkin about you

No you still got my shirt  
That I gave you to wear it in bed  
Do you smile when you put it on?  
The more that I fight it  
The more you get in my head  
I don't know where we went so wrong

So many chances that we must have missed  
Moments that we won't get back  
It's not too late to forgive and forget  
Don't let that night be our last

I been drinkin about you  
I still can't let you go  
Can we talk like we used to?  
Are you sleeping alone?

We had our reasons for calling it off  
I can't remember them now  
I can't see me without you  
Maybe that's why I keep drinkin about ya

Hey, yeah, yeah, yeah  
Drinkin about you  
Hey, yeah, yeah, yeah

Drinkin about you

Hey, yeah, yeah, yeah

Drinkin about you

Hey, yeah, yeah, yeah

Drinkin about you

I been drinkin about you

I still can't let you go

Can we talk like we used to?

Are you sleeping alone?

We had our reasons for calling it off

I can't remember them now

I can't see me without you

Maybe that's why I keep drinkin about ya

Hey, yeah, yeah, yeah

Drinkin about you

Hey, yeah, yeah, yeah

Drinkin about you
