

## On The Move

Jake Miller

Yeah. Haha. We going old school on this one. Let's go  
Yeah. Uhh. Yeah, let's go

Ain't no stopping us now, we're on the move  
Yeah, I'm on the move. You can hear me on the radio or watch me  
on the news, like  
Ain't no stopping us now, we're on the move  
Yeah, I'm on the move. All these labels wanna sign me, I don't  
know which one to choose.

Aiyo, I'm always on the move, something different everyday  
Tonight I'm on the news, after that I'm on my way  
To Power 96 cause they say they wanna play  
My newest track that I finished earlier, today  
Upgraded from a dorm to a hotel suite  
No more sittin' in class, I'm in the first class seat  
Flying to the city, all these labels wanna meet  
With the kid that everybody's tryna sign like a receipt  
I'm the hip hop Bill Nye, always in the lab  
Mind's so sharp that my brain got stabbed  
Phone's blowing up, think I just got tagged  
Oh wait, it's just another kid who wants to collab  
Got photoshoots and interviews literally everyday  
Nothing that I havn't done, you can check the resume  
These the memories that nobody could take away  
And now my name's gettin' out, Double Play

Aiyo, I'm always on the move. Going here and there  
People see me out in public and they stop N stare  
I'm taking the cards life deals me, Solitaire  
And I'mma win every hand 'til I'm a millionaire  
Putting college on hold, people tryna ask why  
I'm making the most out of life, that's why  
Plus i'd rather be a star than a frat guy  
And work hard to get bigger than a fat guy  
A couple months ago, I was a no name  
Used to stalk celebrities at the Heat game  
Gave my mixtape to Chris Brown, and Mac Maine  
To Rick Ross, and Khaled, and Weezy, and T-Pain  
Now the labels that they signed to  
Are callin' me back saying "we wanna sign you."  
Kids that used to hate saying "I'm behind you"  
And now they tellin' me I'm sicker than The Swine Flu
