

Tell Me You Love It

Jake Miller

Why you holding back?
You put up a wall lately, I want it all, baby
No, I won't fall back
You playing games lately, don't play it safe, baby

I know that I can't speak for you
I can't read your mind
Honestly, if I choose for you
You'll be mine, all mine

You ain't gotta act like you too cool
Let me be the one to break your rules
If that's the way, then why keep running?
I know you love it, tell me you love it, I know you do
What else can I do?
I'm done playing games, now make the move
If that's the way you feel, then why keep running?
I know you love it, tell me you love it, I know you do

I know what I want
Don't you want the same, baby?
That fair exchange, baby?
Don't look back and say that you're missing out
How long are you gonna wait?

I know that I can't speak for you
I can't read your mind
Honestly, if I choose for you
You'll be mine, all mine

You ain't gotta act like you too cool
Let me be the one to break your rules
If that's the way, then why keep running?
I know you love it, tell me you love it, I know you do
What else can I do?
I'm done playing games, now make the move
If that's the way you feel, then why keep running?
I know you love it, tell me you love it, I know you do

Hey, is it love, is it lust that we fucking, baby?
Just don't keep me waiting around
Open up, up, up, I'll never let you down
I know that you love it, girl

I know that I can't speak for you
I can't read your mind
Honestly, if I choose for you
You'll be mine, all mine

You ain't gotta act like you too cool
Let me be the one to break your rules
If that's the way, then why keep running?
I know you love it, tell me you love it, I know you do
What else can I do?
I'm done playing games, now make the move
If that's the way you feel, then why keep running?
I know you love it, tell me you love it, I know you do

I know that you love it
I know that you love it, yeah
I know you love it, tell me you love it, I know you do
