

WHAT IF YOU FELL IN LOVE?

Jake Miller

I had a dream
I had a dream you've got engaged
Felt to my knees
I couldn't breathe
I was stuck in place
And I don't know what it means now, means now
But I am scared to go to sleep now, sleep now
'Cause I had a dream
I had a dream you've got engaged

And now I'm thinking
What if you fell in love
What if it was too late to call you out
'Cause I know you're happy
You're with someone
What if you fell in
What if you fell in
Too deep with someone else
Don't think I would ever forgive myself
'Cause I know that you always be the one
But what if you fell in
What if you fell in love

Fell in love
Fell in love
Fell in love
What if you fell in
What if you fell in
Please don't fall in love
Please don't fall in
Please don't fall in love
What if you fell in
What if you fell in love

I had a dream
I was on the seats on your wedding day
Yeah
I sat in the back wearing black
You've never noticed me
Oh, no
I tried to scream and
Nothing came out
Just standing there with tears running down
'Cause I had a dream
I was in the seats on your wedding day

And now I'm thinking
What if you fell in love
What if it was too late to call you out
'Cause I know you're happy
You're with someone
What if you fell in
What if you fell in
Too deep with someone else
Don't think I would ever forgive myself
'Cause I know that you always be the one
But what if you fell in

What if you fell in love

Fell in love

Fell in love

Fell in love

What if you fell in

What if you fell in

Please don't fall in love

Please don't fall in

Please don't fall in love

I won't lose you

I won't lose you

I can't lose you

I won't lose you

I won't lose you

I can't lose you

Fall in love
