

# Drink All Day

Jake Owen

Met a man  
A sailor man  
With an island tan  
Down in Mexico  
Sitting there  
Fish are everywhere  
Biggest one this year  
Couldn't let him go

I said, "Hey man what's your secret?"  
He said, "I'll tell you if you say you'll keep it  
You can throw out a line, but you  
Can't make 'em bite, you can  
Drop a lime in your Corona Light

But you can't drink all day  
If you don't start in the morning  
And get to sipping on the docking bay  
Just watching that tide roll in, yeah  
Well life's sweeter than a, Margarita so you  
Better get to pouring  
'Cause you can't drink all day  
If you don't start in the morning  
Ooh, start in the morning

Yeah you can build you a big ole  
Castle in the sand  
Do a backflip  
Off a catamaran  
You can bust your ass  
For a couple hundred grand  
But that ain't gonna make you rich

You can get you a hammock you can swing on  
Between two palm trees  
Señorita, you can lean on  
That's all you need

But you can't drink all day  
If you don't start in the morning  
And get to sipping on the docking bay  
Just watching that tide roll in, yeah  
Well life's sweeter than a, Margarita so you  
Better get to pouring  
'Cause you can't drink all day  
If you don't start in the morning  
Ooh, start in the morning

The glass is half full the way I see it  
Drink, it's on the house  
You can take it or leave it  
Or pour it out

But you can't drink all day  
If you don't start in the morning  
And get to sipping on the docking bay  
Just watching that tide roll in, yeah

Well life's sweeter than a, Margarita so you  
Better get to pouring  
'Cause you can't drink all day  
If you don't start in the morning  
Oh, start in the morning

Yeah you gotta start in the morning  
Yeah we gonna start in the morning
