

# Call Me

Jamelia

Layin' in my bed  
Here all alone, won't go to sleep  
Thoughts of you fill me head  
Coz I havn't heard the telephone

Ring, ring yet?  
I ain't gonna sweat  
You said you will not, bet'cha might

Say there ain't no reason not to call me tonight  
Don't forget to call me  
Call me tonight  
Don't forget your baby  
Don't forget to call me  
Baby's waiting for your call  
Gotta let me know if your alright  
Call me tonight  
Oh yeah, don't forget to call your boo tonight  
No No

I can't come around  
And see my boo right now  
But you've got to make the choice  
I wanna hear your voice  
Its getting late, and I'm still waiting  
Mind is racing, anticipating what you got to say  
Now don't forget to call your baby girl today

Call me tonight  
Don't forget to call me  
Baby's waiting for your call  
Don't forget your baby  
Call me tonight yeah yeah

No matter whos at fault, know that she is on your mind  
If your alright, let her know tonight
