

# No More

Jamelia

Mmmmmm, Yeaaaahhh, Yeah

No More, (No more) No More, No More, (No more) No More

No more trouble in my life,  
No more tears over you to cry,  
No more breaking me inside,  
No more hurting me, no more lies

I'll walk away with my dignity, (Aaaaaahhhh)  
You can't take that away from me, (Aaaaaahhhh)

No More, (No more) No More, (No more) No More, (No more) No More  
(No)

No more waiting up all night,  
No more secrets you tried to hide,  
No more covering your crimes,  
No more you, I've made up my mind

I'll walk away with my dignity, (Aaaahhh) (Oh yeah)  
You can't take that away from me, (Aaaahhh)  
All the good love that I have wasted (Aaaahhh)  
(I wasted so much of my love)  
All this pain I can't take it.

No More, (Oh no) No More, (Oh no) No More, (Oh no) No More (No)

Someday you'll be back  
(Oh yes you will)  
Wanting more of what we had (aint gona give u none)

I walk away with my dignity, (Aaaahhh) (Oh yeah)  
You can not take that away from me, (Aaaahhh)  
All the good love I have wasted (so much love, so much love)  
All this pain I can't take it. (Aaahhh) (Oh no)

No More, (No more) No More, (No more) No More, (No more) No More  
(No More) No More, (No more) No More, (No more) No More, (No more)  
(No More) No More (No More) No More
