

A Man Understands

James Brown

Oh, here I am, like a man in the glass
Here I am, tryin' to make it last
Here I am, slow
Here I am, I wanna get some more
I wanna say

Shabadoobadoobaday
(Shadadadadoobaday)
Shabadoobadoobaday
(Shadadadadoobaday)
Shabadabadoobaday
(Shadadadadoobaday)
Shabadabadoobaday
(Shadadadadoobaday)

Here I am, a man that calls
Ain't go no lovin', but man got laws
Here I am, it's a fact
Here I am, I like it like that
I wanna say it now

Shabadabadoobaday
(Shadadadadoobaday)
Shabadabadoobaday
(Shadadadadoobaday)
Shabadabadoobaday
(Shadadadadoobaday)
Shabadabadoobaday
(Shadadadadoobaday)

Here I am, I'm all alone
Ain't got no queen on my throne
Here I am, my name is Brown
It's what I tell 'em, just waitin' to clown

I said shabadabadoobaday
(Shadadadadoobaday)
Shabadabadoobaday
(Shadadadadoobaday)
Shabadabadoobaday
(Shadadadadoobaday)
Shabadabadoobaday
(Shadadadadoobaday)

Oh, here I am, a man at last
I got my baby looking through my glass
Here I am, you know I got it made
Lay it back like right, got it made in the shade

Said shabadabadoobaday
(Shadadadadoobaday)
Shabadabadoobaday
(Shadadadadoobaday)
Shabadabadoobaday
(Shadadadadoobaday)
Shabadabadoobaday
(Shadadadadoobaday)

You know what I mean, you know what I mean
You know what I mean, you know what I mean
Close the door, close the door
You know what I mean, you know what I mean
Just close the door, close the door
Close the door, ha, close the door, help me say it

Shabadabadoobaday
(Shadadadadoobaday)
Shabadabadoobaday
(Shadadadadoobaday)
Shabadabadoobaday
(Shadadadadoobaday)
Shabadabadoobaday
(Shadadadadoobaday)

Whoa, hear me, hear me, won't you give me some more
Take my car to the disco

I said shabadabadoobaday
(Shadadadadoobaday)
Shabadabadoobaday
(Shadadadadoobaday)
Shabadabadoobaday
(Shadadadadoobaday)
Shabadabadoobaday
(Shadadadadoobaday)

[scatting]

Shabadabadoobaday
(Shadadadadoobaday)
Shabadabadoobaday
(Shadadadadoobaday)
Shabadabadoobaday
(Shadadadadoobaday)
Shabadabadoobaday
(Shadadadadoobaday)
One more time, shabadabadoobaday
(Shadadadadoobaday)

Oh, here I am, like a man in a glass
Ain't got no lovin', wanna make it last
Here I am, sittin' on my throne
Ain't got no queen, and so I'm all alone
I wanna say

Shabadabadoobaday
(Shadadadadoobaday)
Shabadabadoobaday
(Shadadadadoobaday)
Shabadabadoobaday
(Shadadadadoobaday)
Shabadabadoobaday
(Shadadadadoobaday)
Shabadabadoobaday
(Shadadadadoobaday)
Shabadabadoobaday
(Shadadadadoobaday)
Ha, shabadabadoobaday
(Shadadadadoobaday)
Shabadabadoobaday

(Shadadadadoobaday)
Shabadabadoobaday
(Shadadadadoobaday)
Shabadabadoobaday
(Shadadadadoobaday)
