

Begging, Begging

James Brown

Won't even write
won't even call
you are telling me
nothing at all
and now I'm begging begging
love nobody but you
you've made me love
right from the start
and I know baby
you was gonna break my heart
and now I'm begging begging
love nobody but you
oh baby
you made me love you
and you keep
my heart at bay
oh baby
there's no one above you
and I wonder will we ever ever love again
I know I loved you
right from the start
and that's why you
you broke my heart
and now I'm begging begging
love nobody but you
oh baby
you made me love you
and you keep
my heart at bay
oh baby
there's no one above you
and I wonder will we ever ever love again
you made me love you
right from the start
I know why you
you broke my heart
oh baby
you made me love you
and you keep
my heart at bay
and now I'm begging begging
love nobody but you
