

# Good Good Lovin'

James Brown

Got something for you, darling  
That you never, never had  
Got something fot you, darling  
That you never, never had  
Good lovin', good lovin'  
Made me feel so glad

Got something for you, baby  
Make my love be true  
Got something for you, baby  
Make my love be true  
Good lovin', good lovin'  
Never part, the world is you

True, fine lovin'  
A whole lotta huggin'  
Nothing but trouble  
Baby, I need your good lovin'
