

# Hold My Baby's Hand

James Brown

I don't mind, there's a way on ferry  
I don't mind, this load my baby make me carry  
I don't mind, everything would be so grand  
If I can hold my, my baby's hand

I don't mind, it's the way you fool me  
I don't mind, take all life to scoon me  
I don't mind, everything would be so grand  
If I can hold my, my baby's hand

Did you ever feel so low  
Did you ever feel so low  
Did you ever feel so bad  
And you mised all the fun  
That you thought you had  
When you feel so bad  
And you missed all the fun  
That you thought you bad  
Everything would be so grand  
If I can hold my, my baby's hand
